DRIEAZ® ADVANCING RESTORATION

Velo Low Profile Airmover

$295.00

Item#: DE-F504

- Engineered airflow. Patent pending outlet design ensures even, broad-path airflow for fast, consistent drying across all surfaces.
- Multiple operating positions. Dry floors, ceilings, walls and stairways quickly and efficiently.
- Low profile. Half the height of snail shell dryers and 25% shorter than competitive models. Stackable for compact storage – save space on the truck.
- Easiest to maintain. Simply remove fasteners and lift out impeller assembly for cleaning.
- Great portability. Easily carry two units at once - or stack up to six on a handtruck. No more awkward lifting, no more banging up hallways and doors.
- Low amp draw. Only 1.9 amps.
- Daisy-chain with GFCI outlet. Use up to 6 units per 15 amp circuit for a whopping 5400 CFM of tested – not rated – airflow.
- Durable. Rugged rotomolded housing with new easy-carry handle - laboratory-tested to lift four times the weight of the unit 5000 times without failure!

Year End Tax Savings

Let the IRS Help Pay for Cleaning & Restoration Equipment Purchases!

IRS tax code Section 179 allows businesses to deduct the full purchase price of qualifying equipment purchased/financed up to $500,000. That means if you purchase qualifying equipment or vehicles before December 31st, you may deduct the **full purchase price** from your gross income for 2011.
